Organisation

These pages intend to describe how to use the Filer. Under Each folder you will find an individual input on what kind of infos you can expect to find, what data should be stored where and how you

should structure the data.

Inside the filer all our knowledge we gather during the process of of the project - be it in form of howtos, tutorials, animations, code or models - will be stored. Knowledge is our most precious result and we should take care to create a solid and clean house for it.

00_howtos - all knowledge on how to do things

01_assets - all things to play with

02_personal - all things personal

03_projects - all things for your project

05_workshops - all things for / from a workshop

06_research - all research

07_lehre - all teaching

08_software - all things soft

09_hardware - all things hard

10_infrastruktur - all about where we play

11_mediathek - all about what inspires us

12_publication - all things we want to inspire with
