filer_01_assets

Here we store all the coolest model, textures, materials etc we create and collect and make it available to everybody else.

When you add content, please add a screenshot of the model or a thumbnail of the texture next to the folder and use the same filename. this way we can quickly see what already is in store for us.

- Please play fair: Make sure you have the proper license to store the files here. If you have downloaded your file, keep them inside their on folder with the license information inside.
- If it is your own content, add a text file with information about you and other authors. If no license file is provided, we assume it is Creative Commons License Attribution 4.0 International License
