

Setup New Session inside Motive

Before you start capturing you need to setup your session.

first you have to open the data-pane:

then press the plus-icon to select a new session folder

you need to create a new session inside your projetct on your filer:

i.e. I:\Innolab\03_projects\180101_Pilot_DemoProject\01_capturing

give each session a distinctive name with a date,

i.e. Session_180329
