Electric paint

Touch sensitive circuit Things you can do with electric paint RGB colour slide Building a noise maker How to screen print electric paint Electric paint Electric paint @Science Buddies Repair a remote control Stencil with electric paint Which materials conduct electricity? Conductive ink on a body Electronic popables Solar paint

Producing paint

High luminescence Epoxi resin luminescence Electroluminescent paint Conductive ink Conductive ink with magnetite

Experiments on the net

The pretzel experiment Paper piano ect. Walk on piano Lichtenberg wood burning machine Light painting and potato power Conductive ink

Electricity Basics

Open/closed/short circuit Static/current electricity, direct and alternating current, (electro)magnetism
