

MATLAB & Guests. Drawing & Painting: (Trans)medial experiments

This site is work in progress. Please check updates and changes regularly.

We will turn our physical exhibition into a virtual exhibition, using 360° image and videos ([see example](#)). Our virtual exhibition will then be online via [dps-platform.net](#) See also [Videorecording](#)

Monitoring exhibition

Friday 8 to Sunday 10 DEC: Vemo

Monday 11: Maya

Tuesday 12: Esther

Wednesday 13 Maya

Thursday 14: Ziqi

We still need someone for Friday 15 until Sunday 17 DEC.

Because someone already has destroyed a work: Could you be present in one of the spaces. And, if you are in the Gallery, please place a note at the Kunstraum that you will open the door if they contact you in the Gallery (or the other way round). You do not need to close one space, if showing the other ...

TAKING DOWN THE SHOW

On the 18 and 19 December, we will be taking down the show. On Monday, 18 DEC, starting 1 pm: Who could help to take down all the devices and pack our Hong Kong colleagues work? When do you take down your work?

TO DO | Video recordings

For the virtual exhibition: Please document your work and [Upload your videorecording till 17 December](#).

All recorded material should start with NAME OF THE ARTIST. Then at the end: Concept, recording, and (post-)production: NAME, MATLAB at MA Fine Arts, Zurich University of the Arts, 2017. Fonts ect: Information coming up.

Work list: Fill in your work title etc.
