Who Said It Was Simple

There are so many roots to the tree of anger that sometimes the branches shatter before they bear.

Sitting in Nedicks the women rally before they march discussing the problematic girls they hire to make them free.

An almost white counterman passes a waiting brother to serve them first and the ladies neither notice nor reject the slighter pleasures of their slavery. But I who am bound by my mirror as well as my bed see causes in color as well as sex

and sit here wondering which me will survive all these liberation.
